

*Dear fellow Spiritists, two weeks ago the general assembly of United States Spiritist Council elected a new board of directors. As members of this new board, we are very excited about some new opportunities and challenges ahead of us. We do look forward to working with you so we can continue to make the Spiritist movement in the USA a dynamic and vibrant one.*

*As part of our communications initiative we will be sending out these e-bulletins whenever new information about projects, which we are in the process of implementing, becomes available or any other news we wish to share with you.*

*We ask for your prayers throughout this journey and thank you for participating and supporting our efforts, knowing that united we can accomplish wonders.*

*May God bless us all.*

*USSC Board*

It is with great pleasure that the newly-elected Board of Directors of the United States Spiritist Council (USSC) announces the first of a series of services that it has planned to provide its membership.

A website that addresses the Spiritist Education of Children and Youth has now been launched. We invite you to visit the site [www.spiritisteducation.net](http://www.spiritisteducation.net) and participate in this much needed effort to promote Spiritist education to our children and youth.

We welcome your comments, suggestions, and proposed materials to be added to the site. Before posting, all materials will be subject to review for content and accuracy. For additional information, please contact us at:
