Centers in Georgia to form State's Spiritist Federation

Members of the Spiritist Group Renovation and the Spiritist Community of Atlanta have begun working diligently on the foundation of the Spiritist Federation of Georgia. This new State-level organization will be the second in America. The first one was the Spiritist Federation of Florida, established in 1987. Georgia will also hold its second annual Spiritist Encounter in October 2009. The first one in 2008 was a two day event which hosted various speakers from the U.S. and abroad with speeches in English and Portuguese being presented simultaneously in two conference rooms.

New video website divulges Spiritism

The U.S. Spiritist movement continues to make great strides by launching www.spiritistvideos.com. The site is a new resource in the dissemination of Spiritism offering talks, workshops, events and so much more, all free of charge. This is an initiative of the Spiritist Society of Baltimore (www.ssbaltimore.org). As Spiritists we extend our heartfelt thanks to all who contributed to this project, specially to Daniel Santos from the SSB, whose dedicated webmaster volunteering efforts were key to bring this to fruition.

USSC Board to travel cross country
