### ***2<sup>nd</sup> Florida Spiritist Seminars Underway***

Once again the Spiritist Federation of Florida pushes ahead with the dissemination of Spiritism across the State by launching the second round of Spiritist Seminars. Each event will take place in a different city in Florida. The Seminars were put together last year emulating the Spiritist Symposium concept which aims to bring Spiritism to the English speaking public. Take a look at the complete program [here](#).

### ***USSC Board to hold video conference calls with its members***

Understanding that “Unification does not work without participation” the USSC Board will be holding four video conference calls with its members. In an informal setting all directors and members will be able to brainstorm about the Spiritist movement in the USA. Conferences will take place from April 19<sup>th</sup> to May 10<sup>th</sup>.

### ***New web address added to USSC website***

As part of USSC’s agenda to boost traffic through our website a new address has been acquired to direct seekers to our page. The new address [www.kardec.us](http://www.kardec.us) is easy to remember and will provide instant access to the USSC page. The original address will remain active as before.

### ***E-news bulletin now available online***

Our readers have requested and we have listened. Click [here](#) to get to the USSC’s newsletter web page. All E-news bulletins will be store on the website for easy access.

### ***USSC members have real time access to calendar***

A dynamic and easy to use events calendar is now available at the USSC website. USSC members received their own logins and are now able to add their own events to the calendar. Our website will continue to be improved. Many more changes will follow soon.

### ***ISC promotes training for Spiritist workers***

Spiritist workers from many parts of the world will be taking training courses conducted by the International Spiritist Council (ISC/CEI) in Brasilia, Brazil. Some USSC Board members will also participate in the four day educational event in June 2009.
