USSC Video Conference Calls

Throughout the months of April and May the USSC held video conference calls with its members. The agenda included a presentation of ongoing and future projects and a brainstorm session where members were able to ask questions and exchange ideas with the Board of Directors. This was the first of a series of conferences which are part of an effort to provide an open forum for members to express their ideas and concerns to the Board. A new round of calls will be scheduled for November 2009.

III & IV U.S. Spiritist Symposiums

The III U.S. Spiritist Symposium took place in Boston this last April 11th at the extraordinary and historic Faneuil Hall. At the end of the Symposium participants watched the theater play "Love Never Fails", performed by the New York based Inner Enlightenment Spiritist Society (www.innerenlightenment.com). The IV Spiritist Symposium will take place in the South Florida area on April 24th 2010. More information will be available soon. Please check the USSC website periodically for updates on all major events.
